Premier Mobile Spa Service Company
Introduces the "Celebrate with a Friend Package"

Buy one full price spa treatment, delivered to your home or hotel room, and get the second at half price.

Washington, DC – August 27, 2009 – Celebrating You, a mobile spa service company that provides facials, massage therapy, and manicure/pedicure services to customers in the DC area, introduces a special offer for mobile spa services, delivered to the home or hotel room. Reserve one full price spa treatment and the second treatment is half price. This limited time offer is designed for friends to celebrate together.

The Celebrate with a Friend Package works like this: Invite a friend to your house or hotel and select a spa treatment of your choice. Purchase any full price spa service and your friend will receive the same service at 50% off. The service must be scheduled with your friend at the same time and location since this package is all about enjoying the company of your friend while receiving a great spa treatment.

Here are some ways customers can take advantage of the "Celebrate with a Friend Spa" Package:

- Invite that special someone to your house for an evening of wine, a meal prepared by our professional Chef, and a fabulous Swedish Massage. Our professional licensed massage therapist will come to your home and treat you both to a memorable evening.
- Plan a special evening for you and your beau at a hotel and our professional massage therapist will give you each a therapeutic massage. With this special, you pay full price for yourself and your boyfriend is half off.
- Send the kids to a ballgame with dad and invite your best girlfriend over for a facial. Our professional esthetician will come to you and treat you to one of our wonderful facial services. Pay full price for one facial and get the second at half price.
- Best friend's birthday coming up? Before you head out on the town let our nail technician stop by to give you and your friend a manicure and pedicure. Pay full price for your service and treat your friend at 50% off. (We won't tell!)

Schedule Your Spa Service Today! Here's how it works:
