

Welcome to Celebrating You, an Upscale Mobile Spa serving DC, VA and MD

How many times have you said, "I wish my nails looked better but I just don't have the time to get them done professionally"? Or how about this one: "I would love to get a massage but by the time I drive to the massage therapist, get a massage, and drive back home my kids and my husband have destroyed the house and the stress that was just released is back again!" Or are you like many women (and men) who look in the mirror one day and wonder what happened to your youthful skin? Well, you can probably guess that we have an answer for you.

Celebrating You is the Washington DC Area's premier [mobile spa service](#) provider. We started this company (and this blog) to help busy men and women take better care of themselves with professional spa services and tips to help you look better and feel better, more conveniently than ever. Our luxury spa services are delivered to you by our team of experienced and professional massage therapists, nail technicians, and estheticians at a price you can afford. What's more, we offer personal chef services with any of our spa treatments, leaving you with no more excuses to put yourself on the back burner.

Our mobile spa services include [facials](#), [nail services](#), and [massage therapy](#). We also offer several [spa packages](#). The benefits of our spa treatments are numerous:

- [Skin care treatments](#) (facials) can slow down premature aging, increase circulation, prevent wrinkles, keep skin hydrated, and give your skin a clean, fresh look and feel. Plus, it's incredibly relaxing.
- [Massage therapy](#) relaxes and softens tired muscles, reduces stress, enhances immunity, improves circulation, and so much more.
- Nail services ([manicures and pedicures](#)) are a relaxing way to make your hands and feet look and feel better, make your nails stronger, prevent nail diseases or disorders, and feel great in those open-toe sandals.

The biggest benefit of all? **Our spa services are delivered to you at your home or hotel suite** so you can enjoy the treatment you deserve without the hassle of driving, parking, and rushing to make your appointment.

All of our services are delivered by experienced spa service professionals who are trained to offer a luxury spa experience that is worthy of the *Celebrating You* name.

We invite you to [follow this blog](#) and visit our website often to see our latest specials.

Keep on Celebrating!
